
COVID-19 GUIDELINES

Below are the following guidelines that everyone attending CSDD must observe:

ARRIVING

- Students can only attend classes at CSDD if they are feeling well and have not been told to self-isolate. If they or someone they live with has a high temperature, a new continuous cough, or a loss/change to their sense of smell/taste they must stay at home.
- We must be informed before classes commence if a family member, or anybody they've been in contact with has tested positive for coronavirus, or if they have been told to self-isolate.
- Unfortunately no parents or guardians are allowed into any buildings that CSDD hire.
- Students should be fully dressed and ready to dance before arriving.
- Students and parents/guardians must wait socially distant (and ideally with face masks on) at the entrance of the building until their teacher has given them permission to enter.
- Upon entering the building, everyone must sanitise their hands.

DURING

- Each student will be allocated a socially distant space around the edges of the hall where they can place their belongings.
- Once everyone has settled, their teacher will allocate a socially distant space for them to perform and remain in unless told otherwise.

LEAVING

- When classes have ended, the teacher will instruct students when to collect their belongings and where to wait.
- Parents/guardians must wait socially distant (and ideally with face masks on) at the exit of the building, which will be alternative to the entrance.
- Teachers will dismiss the students one at a time to maintain social distancing.
- Before exiting the building, everyone must sanitise their hands.
